

I am the new President of the Sunset Mesa Property Owners Association, and wanted to write and introduce myself to you personally. On behalf of myself and the entire Board of Directors of SMPOA, we are privileged to serve our community, and optimistic about the possibilities.

As you will be reading in the new Sunset Mesa-ge, your Board is working diligently to address the serious issues impacting the Mesa, but also exploring and implementing fresh ideas for exciting and fun things for us to do as a neighborhood.

We sincerely want to hear from you and, to the extent your busy schedules allow, would love for you to become involved. Please don't hesitate to call or write to let us know your thoughts, your concerns, and, of course, your ideas. Also, we do not wish to invade your privacy, but if you provide your telephone number, I will be happy to call you personally to discuss what may be on your mind or answer any questions you may have.

Respectfully,

Natasha Roit
